THE ROSEBERY

OUR STORY

The Rosebery is unique: a chic cocktail bar downstairs with elegant dining space upstairs and a roof that rises smoothly at the touch of a button to offer unrivalled views. There is a stand-alone kitchen for our chefs converted from a vintage horsebox. A 1966 Routemaster, the restoration and conversion of The Rosebery shows extraordinary attention to detail using the finest British materials and craftsmen. The Rosebery experience is a singular example of British excellence, hospitality and originality with a dash of eccentricity. She is available for private hire.

YOUR EXPERIENCE

The Rosebery is not simply a converted bus. The highly experienced Rosebery team is a leader in event production for private individuals, corporate clients or brands. We offer a comprehensive service handling all elements; from an intimate dinner for up to 18 seated to a party for 200. While The Rosebery is invariably the centerpiece the outside area we create is flexible and can include additional structures from the Rosebery Nightclub to the white-picket fenced Rosebery Garden. The Rosebery also attends some of the most significant occasions in British social and sporting calendar providing the ultimate venue for clients and guests.

The Rosebery at Royal Ascot

This creates an exclusive base for entertaining 16 guests with the upper deck providing the perfect elevated viewing gallery and private dining room.
